### New Integrated Creel for More Efficient Warping on Mini Lutan

An integrated creel which combines weft accumulators with tensioners for Mini Lutan, the single-end warping machine, is now available. The integrated creel features more compact & sleek appearance, space saving, and eliminates the annoying hassle of having to adjust the position of weft accumulators and tensioners respectively. It is to further increase efficiency of yarn feeding and speed control during warping.

### A Newly Designed Rotary False-selvedge Cutter Ideal for A Variety of Cutting Tasks

The new rotary false-selvedge cutter is specifically designed to be installed on sampling loom for cutting a much wider range of weft yarn. It is an electronically driven and operated device that can more effectively cut the weft yarn extending between fabric and selvedge which is ideal for a variety of cutting tasks. This new cutter is an optional item that can be selected as per your demand.

## World Festivals in 2017

### **Mid-Autumn Festival (Moon Festival)** (4 Oct, 2017)

The Mid-Autumn Festival is celebrated on the 15th day of the 8th month of the lunar calendar across much of East Asia. In addition to the romantic legend about Chang'e flying to the moon, there are many other stories related to this grand festival. It is the big day with full moon that people will have a reunion dinner, light lanterns, and eat moon cakes.

### **Eid-UI-Adha (Festival of Sacrifice)** (1 Sep, 2017)

Eid-UI-Adha is one of the holiest celebration in the Islamic calendar. During the celebration, Muslims attend morning prayer and sacrifice the Halal domestic animals to commemorate prophet Ibrahim's trials to sacrifice his son in obedience to Allah. They also give their meat to the poor and needy peoples, friends, relatives, neighbors, etc.
