

Launching of the New CCI Website

CCI is very excited to present our new corporate website that aims to create a user-friendly browsing experience. It's now more responsive, refreshing, and easier to navigate. We've streamlined our menus to give you quick access to the items you're looking for. We now have 'PRODUCTS', 'IN THE STUDIO', 'ON THE LOOM', and 'APPLICATIONS' menus. If you'd like to know more about what we do, then our 'PRODUCTS' page can help. In addition, we have segmented the entrance to our solutions via two ways, either by 'IN THE STUDIO' and 'ON THE LOOM' pages or by 'APPLICATIONS' page to access your particular area of interest easily. Be sure to explore CCI corporate website and find out how our solutions can be combined to your weaving application to enable the exceptional energy & cost efficiency! [Visit now](#)

Colour Changing Device in New Modular Design

CCI's unique Colour Changing Device is designed for LUTAN, the single-end warping machine, for using with the rotatory creel to enable high-efficient multi-colour warp arrangement. It's now available with an improved design concept, the modular design!

Thanks to the new design, it lets users dramatically simplify the task of maintenance, repair, setting, and installation. The modularization gives you a reliable warping solution that can be easily maintained at the factory floor level, minimizing operational downtime and cost.

World Festivals in 2017

Holi Festival

Holi is a Hindu spring festival in India and Nepal, also known as the festival of colours or the festival of sharing love. It marks the start of spring and the triumph of good will. People would play, chase and colour each other with dry powder and coloured water. It is increasingly celebrated in many parts of the world outside India. If you want to experience one of the most lively and colorful festivals, then you

Lantern Festival

It is celebrated on the 15th day of the first Chinese lunar month. During the Lantern Festival, people go out at night to carry paper lanterns, appreciate the bright full moon, set off fireworks, eat glutinous rice balls, and guess riddles on the lanterns. People would also release “sky lanterns” into the air as a prayer for the coming year. For those who are looking for a vacation that allows you to experience the world's different cultures, Lantern
